MATHEMATICS
AT ST ROSE
Our Maths Journey!

- **2013**
  - Progressed our development and understanding of the new Maths Syllabus through professional development day as a whole cluster.
  - Staff professional learning around the introduction of the new syllabus and areas of development prior to its implementation in 2014.
  - Commenced the Extending Mathematical Understanding (EMU) at the beginning of 2013 which complements the New Syllabus.
Our Maths Journey!

- 2014
  - Gathering of MAI data through an assessment day at the beginning of Term 1 2014.
  - A focus toward best teaching practice of the new syllabus with a key focus on visualisation and conceptual understanding of mathematics.
  - A focus on the language and terminology of maths.
