Rehearsals are:
- Training Band 7.45am Tuesdays

If you are unable to attend a rehearsal please let Rachel know as soon as possible, an SMS is fine.

Students are required to have a weekly lesson with a private tutor.

The contact details for the onsite tutors can be found on the school website:

Alternatively if you would like to do lessons outside of school time contact Rachel for more advice and referrals.

Students need to bring a display folder to band. They will be given music by the band director and their private tutors.

A lot of consideration and care is taken to recommend instruments that will fit your child and lifestyle. They were shown all available instruments and tested for size, personality compatibility, musicality and dexterity. This was to find the instrument your child would find the easiest and most satisfying to learn.

You will need to buy or hire an instrument for the duration of the year. Please see Rachel or the school office as the school hires out instruments at a significantly reduced rate.

Please ensure your return your hiring agreement with the slip below.

Instruments are expensive and quite delicate. If something is wrong with your instrument please contact Rachel. Don't let dad try to fix it! Our school hired instruments normal wear and tear is covered by the school but if the instrument is damaged due to carelessness you will be required to pay for the repairs.
