EXCURSION TO KIMBRIKI TIP

1st March 2016

Dear Parents

Throughout the year, our Environment Captains, Garden Club Monitors and Garden Club members will be meeting with Mrs Bermingham and Mrs Mitchell each week to tend to the vegetable garden and to beautify our school environment. In order to further their interest in the environment and increase their knowledge about composting and recycling a guided tour of the education centre at Kimbriki Tip has been booked.

As an active member of the St Rose Garden Club, your child is invited to travel by car to Kimbriki Tip on Wednesday 16th March. Mrs Bermingham and Mrs Mitchell will be driving the students to Kimbriki Tip in their cars (4 children per car). We will leave the school at 9:00 am and return by 12:00pm. All students are to wear their full sports uniform including their school hat and need to carry their library/ excursion bag with a plastic drink bottle and recess inside.

Please complete the permission form below and return to school by Friday 11th March.

Yours sincerely

Mrs Meghan Bermingham and Mrs Louise Mitchell
