On Monday the 9th of March the whole of Year 3 went on an excursion to Mater Maria Catholic College. First we got on the bus and Mrs Evers and Mrs Featherstone counted us as we went on. I sat with Liliana. We sat in the front seat.

Next we arrived in the driveway. Everyone was screaming with excitement. As soon as we hopped off we were greeted by three Mater boys. Then we were led to the hall where the Vice Principal told us some things about Mater Maria. When she was finished she told us where we were going.

After that 3E went to music class with St John’s but we were in different rooms. We learnt about elephants. We did a song, a power point and a poem.

Then we went to Drama. The students helped us learn more about asking for help when people bully you. It’s not dobbing, it’s asking for help.

After morning tea we went to the big hall for sports activities. There was skipping, balls, balance beams, tennis and hoola hoops.
Next we had a science lesson in the theatre. We learnt some things about gravity and illusions.

After that we had a barbecue lunch then the Principal talked to us and showed us a movie about the school. We were given a green balloon and then we got back on the bus to come home.

It was a great day and many of us want to go to Mater Maria Catholic College for high school.
