NETBALL NSW SCHOOLS CUP 2015
EXPRESSION OF INTEREST

10th March 2015

Dear Parents

St Rose has been invited to participate in the Netball NSW Schools Cup to be held at Northern Suburbs Netball Association – Bicentennial Reserve, Willoughby on Wednesday 20th May 2015.

All students in Years 5 & 6 (girls and boys) who would like to participate are welcome to trial on Wed 1st April. This year it is possible to enter more than 1 team if there are enough interested children. If your child attends the Netball Cup, you will be required to transport them to and from the venue.

If the team/s are successful at the local level, they will have the opportunity to progress through to the Sydney Metropolitan Regional Finals Day: Wednesday 22 or Thursday 23 July at Netball Central, 2 Olympic Boulevard, Sydney Olympic Park. Parents would again be responsible for their child’s transport to and from the venue.

Please complete the form below to register your child’s interest and return it to the school office by Friday 20th March.

Please note should we have more than one team qualify to compete the school will consider hiring transport to and from the venue.

Kind Regards

Jane Lillycrop
