In order to develop responsibility in your child, help them by:

- getting enough sleep
- being responsible for their belongings
- allowing them (or practising with them), to pack and unpack their bag.
- ensuring homework has a priority with a set time and place
- wearing the correct uniform
- allowing your child to carry their own school bag, place it on their hook and enter the classroom independently
Communication

All parents must download the QKR App to order lunches and EVENT tickets.
For further details, refer to the PowerPoint previously emailed to you.
