The CommBank School Banking program is available at your school.

Ensure your child starts two great journeys at once.

The program teaches kids about money and smart saving – and the rewards they can bring. It’s also a great fundraising activity, as CommBank offers your school commission for your child’s first School Banking deposit as well as deposits made as a part of the program.

Having taught Australian children the value of saving for more than 80 years, the program is not only a great opportunity for your kids, it’s great for your school as well.

To be involved, all your child needs is a Youthsaver account. They can then make regular deposits at school on banking day and will even be rewarded along the way. So get ready to meet the Dollarmites and keep your eyes peeled for more School Banking information when your child starts school.
