BE A BUDDY!

GIVE A KID A BREAK
+ THEIR FOSTER MUM AND DAD TOO

A WEEKEND BUDDY is a very special someone, or a very special family, who provides a foster child with a warm and welcoming local home for one weekend a month (or other agreed mini-break) on an ongoing basis.

A BUDDY gives a full-time foster family and the child in their care the chance to have a break. Having a BUDDY also gives a child in care different experiences of family living and recreation, as well as a wider network of people who support and care for them.

Mary can answer any questions you may have and help you on the way to becoming someone’s special BUDDY.
ANXIOUS, FEARFUL, HURTING.

These are just some of the emotions felt by the kids who need your care. But here’s the good news — there’s a certain kind of person who, through love, support, and a safe and nurturing home can help.

Whether it be one or two nights, a few weeks or months, there is an urgent need right now, right here for foster carers.
